

New Design / Range

Stone 265 x 800 mm (CTM)

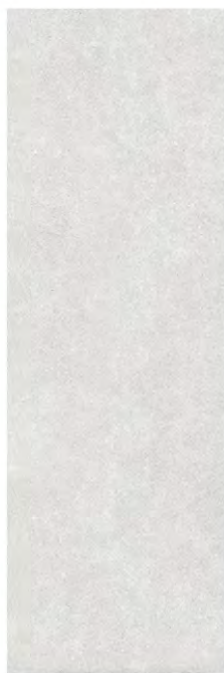

Introducing one of our latest ranges, developed at Samca Wall for CTM!

Stone Ivory

Stone Grey

Stone Ridge Grey

Stone Ridge Charcoal

The Stone range is a versatile wall covering with an authentic, structured profile. The Grey variant wall tile is complemented by the Stone Ridge feature with its listellini profile, while Stone Ivory matches well with Dune Ivory, a feature with a 3D, wavy profile reminiscent of the wind-formed patterns on sand dunes. The Stone Ridge Charcoal is the new addition to the range ideal to create a striking feature wall.
